Use this insert in conjunction with your door's Installation Instructions and Owner's Manual.

SECTION ALIGNMENT

For proper section alignment, align vertical marks in the upper alignment sticker, with the lower alignment sticker (on back) of the door.

NOTE: See door installation instructions and owners manual for complete instructions on attaching hinges to sections.

NOTE: Illustration shown below, shows a typical four section high door with two sets of alignment stickers. A typical three section high door only has one set of alignment sticker located at the top of bottom section and the bottom of lock section.

NOTE: Illustration shown below, shows a typical four section high door (Bottom, Lock, Intermediate, and Top). A three section high door only has a bottom, lock, and top section.
