Two Spear pull handles and one bottom lift handle are included for single car doors. Double car doors come with two sets of decorative hardware (four Spear pull handles and two bottom lift handles). Decorative hinges are also available, please see dealer for details.

Window Comparison

Doors built with the **Routed windows** use a clean top section design where the wood overlay is routed from a wood face panel.

Doors with **Framed Insert windows** use a classic wood door design with the top section constructed from wood overlay boards.

Made with two layers of steel, polyurethane foam insulation and DecaTrim™ II Overlays.

The Model 6600 is not only durable, but a unique way to add style and curb appeal to your home.

**Insulation**
Model 6600 comes with foamed-in-place polyurethane insulation with an R-value of 12.12*, which can improve the thermal efficiency of your garage space, reduce street noise and make the door operate more quietly.

**Durable DecaTrim™ II Overlays**
These overlay boards are specially treated to resist termites, weather and fungal decay.

**Joint Seals**
Snug fitting tongue-and-groove section joints reduces wind and weather from entering the garage.

**Heavy Duty Hinges**
Attractive 14-gauge heavy duty hinges provide maximum strength between sections, stability and smoother door operation.

**Quiet Rollers**
Ball-bearing rollers with nylon wheels and solid steel shafts provide years of smooth, quiet and dependable service.

**Windsafe™**
Available with optional hardware and reinforcement for high-wind regions. Please consult your dealer for details.

**Warranty**
Model 6600 offers a Limited Lifetime Warranty on the steel skin. Two year warranty against delamination on factory attached overlay material. See full text of warranty for details.
