

New Steel Panel Designs

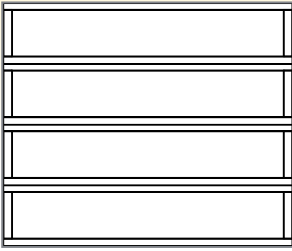

Model 9405, Camden panel, TruChoice™ custom color

Modern Panel Designs for Models 9405 and 9700

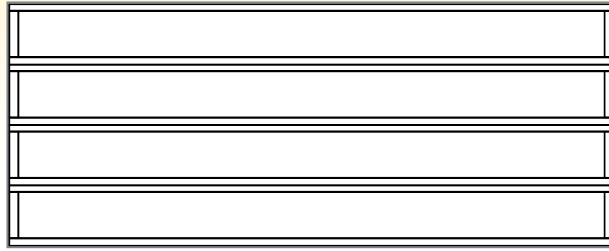

- Modern designs work with many home styles including contemporary homes
- Better price point than contemporary aluminum full-view doors
- Available with TruChoice™ Custom Color System to coordinate with any home
- Model 9700 features a bold look with a taller section height than the 9405, allowing for larger more dramatic windows
