Wayne Dalton Earns Top Honors in Industry Best of Business Poll
Wayne Dalton recognized as leader for Commercial and Residential Garage Doors

DALLAS (Nov. 16, 2012) – Wayne Dalton, a world-class manufacturer of high-quality commercial and residential garage doors, was recently recognized in *Professional Door Dealer's* 2012 Best of Business poll, placing first in the "Best Commercial Doors" category. In addition, Wayne Dalton placed fourth in the "Best Residential Doors" category.

"We work tirelessly to provide products to meet the demands of our customers," said Ali Isham, Brand Manager of Wayne Dalton. "This recognition from leading industry professionals affirms our commitment to providing our customers with a wide selection of high-quality products for both commercial and residential needs."

Among Wayne Dalton's award-winning commercial product line are Thermospan[®] and ThermoMark[™] sectional door systems, which offer customers enhanced strength, rigidity and thermal efficiency for commercial and industrial applications. Wayne Dalton Thermospan[®] Series doors are the industry's only doors with patented, roll-formed integral struts on each section, making them the most rigid doors available in the market.

Additionally, Wayne Dalton's FireStar[®] commercial products pair function and fire-rated protection, making the door a natural choice for safety. The FireStar 700 and 700C rolling steel fire doors now feature lift up and crank operations to provide customers with an NFPA 80-compliant fire containment product that covers all the different modes of operation required.

FireStar fire-rated counter shutters from Wayne Dalton incorporate an industry-leading system that allows the shutter to be easily tested and reset, further ensuring proper operation in the event of an emergency.

Professional Door Dealer's Best of Business is an annual opinion poll that asks industry professionals to vote on their favorite door and access-control vendors in more than 20 categories. [Results](#) of the 2012 Best of Business poll were announced in *Professional Door Dealer's* November/December issue.

Since its inception in 1954, Wayne Dalton has become known as a company that exceeds industry standards through a wide variety of commercial and residential garage doors, which are available through more than 2,000 independent dealers.
