NOTES

- Electronic components are defined as any piece inside the motor head with electrical wiring or circuitry
 - Ex: Circuit Board
- Mechanical components are defined as any piece inside the motor head without electrical wiring or circuitry attached and all pieces that make up the rail of the operator (on trolley style units)
 - Ex: Gears, Latch Assembly
- Accessories are not under the Electronics or Mechanical warranty and will always have a 1 Year Warranty
 - Ex: Transmitters, Keyless Entry Pads, Wall Stations, Photo Eyes
- The manufacturer shall not be responsible for any damage resulting to or caused by its products by reason of installation, improper storage, unauthorized service, alteration of products, neglect or abuse, any acts of nature beyond Manufacturer's control (such as, but not limited to, lightning, power surges, water damage, etc.) or attempt to use the products for other than the customer usage or for their intended purposes. The warranty does not cover normal wear or any damage beyond Manufacturer's control. If product is judged by manufacturer to be defective in material or workmanship, the product will be replaced or repaired at the option of manufacturer, free of all charges to the user except authorized transportation and replacement labor. All accessories are covered for 1 year. Warranty does not apply to batteries.
