GARAGE DOORS & OPENERS

# THE PERFECT WAY

*to accent your garage door*

Wayne-Dalton decorative hardware completes the carriage house styling of your Model 9100, 9600, 9700 or Series 7000 Garage Doors.

Accessories are available in classic Fleur-de-Lis design or the elegant coach house pattern. Each piece is finely detailed for historical accuracy with a hand-hammered look that faithfully recreates the appearance of traditional swing-style carriage house doors.

## WOOD DOOR ONLY ACCESSORIES

### *Stamped metal*

### *Black wrought iron*

## STEEL DOOR ONLY ACCESSORY KIT

Trim hardware, exclusively for Models 9100, 9600 and 9700 doors, is made from rust-resistant galvanized steel with black powder coating and pebble texture. Kit includes four hinge straps, two pull handles and attachment hardware.
