MORE WAYS TO SAVE !!!!

- DuraClean coating & printed spring identification at NO EXTRA CHARGE**
 - This polymer coating **is standard, at no extra cost**, on all torsion springs through 2-5/8" diameters, up to 120" long and provides a clean, dry surface with rust inhibitor properties, heat bonded to the spring surface for durability. For quick, easy identification, high-resolution ink-jet printing technology is incorporated to print the spring dimensions and a winding line for handy installation. Upon request, our DuraClean coating is also available at no extra cost for torsion springs through 6" diameters, up to 120" long.
- Purchases from Glass City are applied to your Wayne-Dalton volume discount**
 - For all factory-direct Wayne-Dalton dealers, Glass City purchases are totaled with other qualifying purchases to determine the percentage paid to the dealer. By rising to the next purchase level listed in the volume incentive chart, a dealer can significantly increase the amount received
- Improved lead-times and optional shipment via Wayne-Dalton trucks**
 - UPS orders placed by 12:00 for standard spring sizes **ship same day**
 - Orders placed by 10:00am eastern for less than 1,000 pounds **ship same day via UPS, LTL freight, or via your Wayne-Dalton (Mt.Hope) truck and governing Wayne-Dalton guidelines.**
 - Orders between 1,000 pounds to 3,000 pounds **ship in two days or less via LTL freight, or via your Wayne-Dalton (Mt. Hope) truck and governing Wayne-Dalton guidelines.**
 - Orders between 3,000 pounds to 5,000 pounds **ship in three days or less via LTL freight, or via your Wayne-Dalton (Mt.Hope) truck and governing Wayne-Dalton guidelines.**
