

To add your own custom logo to your proposals, please follow these steps:

1. Send your company's logo to [Helpdesk](#)
2. Best file format to submit is JPG, JPEG and as a 480x250 image
3. Logos may also be submitted as a PDF
4. Be sure to indicate all customer numbers the logo should be applied to

The logo will be added to the accounts indicated within 72 hours and you will be notified by email. The logo will appear in the upper left-hand corner of the proposal
