FOR IMMEDIATE RELEASE

Wayne Dalton Appoints Patrick Duffy Vice President Dealer Sales

LEWISVILLE, Texas (Sept. 19, 2014) – Wayne Dalton, one of America’s most well-known garage door brands, is pleased to announce that Patrick Duffy has been appointed Vice President, Wayne Dalton Dealer Sales.

Duffy, a garage door industry veteran with decades of experience, has for the past five years served as Wayne Dalton’s Regional Sales Director, East Region where he was responsible for Wayne Dalton product, brand and sales strategies for the entire eastern seaboard. In his new role, Duffy will lead a team working to improve and strengthen profitability of residential and commercial product dealer sales.

Duffy began his career with New England Door in Boston, Massachusetts. During his tenure there, Duffy advanced through the organization to become its president, CEO and owner, growing it into a \$22 million company.

“Pat has a tremendous amount of garage door industry and Wayne Dalton dealer experience,” said Preston Bowen, senior vice president of Wayne Dalton. “He is a proven winner and possesses exceptional leadership and communication skills that will serve him well in his new role. Together, with our Wayne Dalton Dealer partners, he will build on the 60-year legacy Wayne Dalton has established in the residential and commercial door industry. His passion for our network and the brand makes Pat an excellent fit for this critical role.”

Duffy lives in Scituate, Massachusetts with his wife of 30 years, Kathleen, and their two children, Amanda and Ryan.

About Overhead Door Corporation

Overhead Door Corporation, based in Dallas, Texas, is a leading manufacturer of doors and openers for residential, commercial, industrial and transportation applications. The company has five divisions: Access Systems Division (ASD), which features the Overhead Door and Wayne Dalton brands; The Genie Company, manufacturer of remote-controlled garage door opening systems; Horton Automatics, a manufacturer of automatic entrance systems; TODCO, the largest producer of truck doors for the transportation industry; and Creative Door Services, Western Canada's leader in providing door products and services to the residential, commercial and industrial markets. Overhead Door Corporation created the original overhead garage door in 1921 and the first electric garage door opener in 1926. Overhead Door now employs more than 3,500 people, and has 22 manufacturing facilities, 78 regional sales and service and installation centers, and more than 5,000 distributors and dealers that service national builders, national accounts, architects, general contractors and homeowners, as well as major retailers in the U.S. and Canada. Overhead Door Corporation is a subsidiary of Sanwa Holdings Corporation of Tokyo, Japan. For additional information, visit www.overheaddoor.com, our [Facebook](#) page or follow us on [Twitter](#).
